The Café Creed

In every village there is a gathering spot, a place to share meals, the center for all those who live and work in the area to congregate, to be together...The Café. Whether they come for a place to celebrate, to share stories with family and friends or because of the need to get away from the daily routine, The Café is their neighborhood place to land.

Here at The Café at Briarcliff Village, we want you to experience that same “coming home” feeling. We take the utmost care and judgment when planning our menu and when serving you, as we consider YOU our friends...our family!

We are locally owned and we use local farmers and producers to source our food ingredients whenever possible, farmers and producers who share our respect for food and high standards of quality and integrity.

Our menu boasts unique offerings and uniquely prepared favorites. We accept the extra responsibility and cost involved in handling, preparing and serving GREAT food. We hand process all foods and inspect them for wholesomeness. We season and prepare our own meats, sauces and stocks. Our pastries and desserts are all house-made.

All of this is done for you...our guests...our neighbors...our friends...our family.

Enjoy!
